

# TEAM TITANS!!!

## MAKING CONNECTIONS WITH YOUR HIGH SCHOOL

- As you know, starting high school is a big deal! In an effort to assist with the transition, Tinley Park High School will offer a 2-day workshop that focuses on helping our incoming freshmen make a successful transition from middle school to high school. They'll learn organizational skills, time and stress management (in and out of school), as well as the much needed study skills to help set them up for a good school year. Oh yeah, they'll also get a chance to tour the building, meet new friends, and more. Registration is open to all incoming freshmen.
- Tinley Park High School invites your incoming freshman to participate in a four-day summer Advanced Placement camp. The program is designed to develop students' essential skills through experiential learning activities. This opportunity comes at a critical time as we work to remove barriers and increase exposure and access to our AP courses. Our intention is to provide an academic "boost" before the first day of high school to familiarize students with the expectations of an AP level course and encourage greater participation. Registration is open to incoming freshmen with Honors/AP level placement or recommendation.

Online registration will begin in the spring provided that the school district and state of Illinois deem it safe to run in-person summer sessions. If you have any questions, please contact Wendy Bumphis, [wbumphis@bhsd228.com](mailto:wbumphis@bhsd228.com).

Date: TBD

Time: 8:00am-1:00pm

Location: Tinley Park High School
